SUMMARY

Passionate Flutter developer specializing in cross-platform mobile applications with expertise in Dart, responsive UI design, and state management (Provider/Bloc). Skilled in REST API integration, Firebase (Authentication, Firestore), and modern development tools. Currently maintaining a 3.3/4.0 GPA while gaining practical experience through an internship at DEPI under the Ministry of Communications

EXPERIENCE

IT Support / Event Technology Specialist | Folder Group (Medical Events) *September 2025 – Present*

- Managed technical infrastructure for medical events with 1,000+ attendees, ensuring 100% uptime for registration and AV systems.
- Resolved 100+ technical tickets per event, minimizing delays and ensuring smooth event flow.
- Maintained AV systems for multiple concurrent sessions with zero technical failures.
- Optimized on-site IT protocols, leading to faster resolution of hardware and software errors.

TECHNICAL SKILLS

- Languages & Frameworks:** Dart, Flutter, Object-Oriented Programming (OOP).
- State Management:** Provider, Bloc.
- Database & Backend:** Firebase (Authentication, Firestore), SQLite, REST APIs Integration.
- Tools & Design:** Git & GitHub, Figma, Responsive UI Design.

EDUCATION

Alexandria University – Bachelor’s degree in Computer Science *September 2023 – June 2027 (Expected)*

- GPA:** 3.3 / 4.0.
- Relevant Coursework:** Data Structures, Algorithms, Database Systems, Software Engineering, Mobile Application Development.
- Projects:** Developed cross-platform applications using Flutter, Dart, and Firebase following clean architecture principles.

SOFT SKILLS

- Problem-Solving:** Debugging complex widget trees and resolving state management conflicts.
- Adaptability:** Quick to adopt evolving Flutter packages and integrate new features.

- **Communication:** Coordinated technical setups and managed AV systems for large-scale events.
- **Time Management:** Balanced professional work with a rigorous CS degree, meeting all deadlines.
- **Collaboration:** Proven teamwork through event support and Ministry-led internships.

LANGUAGES

- **Arabic:** Native.

- **English:** Intermediate.
